Thornborough Henges are a unique triple henge complex near Ripon, with features dating from the Early Neolithic through to the Bronze Age. Although each henge was identical when constructed, each one now displays different attributes. Starting with the Northern henge, tours of the Central and Southern taking place after lunch. This is the first time members will have access to the North henge.

**Information for the walk:** Numbers are strictly limited and advance booking is essential.

To reserve your place email [uwhg.enquiries@gmail.com](mailto:uwhg.enquiries@gmail.com) telling us how many places you would like to reserve and providing contact details. Priority will be given to UWHG members, otherwise places will be allocated on a first-come, first-served basis. Detailed arrangements for the day will be circulated closer to the time.

This will be an all-day trip, with departure time from Skipton likely to be a little after 9 am, returning by a little after 5 pm. We will endeavour to assist with organising car-sharing.

**Equipment:** Bring a packed lunch and be ready for North Yorkshire weather. Robust footwear recommended. No dogs please.

**Note:** While there are no toilet facilities provided by English Heritage, there are public toilets in West Tanfield and at the Nature Reserve visitor centre. These will be included in the itinerary.
